Helping people with disabilities succeed for more than 50 years

Work Based Learning
Services benefiting both students & employers

Who We Are

New Horizons Rehabilitation Services is an accredited, not-for-profit organization founded in 1964 that helps people with disabilities achieve their goals and lead more fulfilling lives through employment programs and other activities.

Work Based Learning Services

New Horizons’ Work Based Learning services bring students, educators and employers together by:

• Providing students with real work experiences with on-the-job training, problem solving through job tasks assignments and support of a certified Workplace Readiness Trainers.
• Providing a team to cohesively work with the students to develop the hard and soft work skills necessary for successful employment
• Teaching various tasks to be completed by the students as outlined by the business owner/management
• Administering services to small groups or on an individual basis

Benefits for Local Businesses

• No cost, liability or supervision is required by the business
• Supporting your local community by providing a work environment for students to gain valuable work skills in a real work situation
• Employers can evaluate the students work skills for potential future employment
• Business owners/managers can help mold work attitudes, ethics & skills for the youth & future workforce
• Businesses may be eligible for a tax credit

Benefits for the Student

• Academic and social skills developed in the classroom setting are applied and practiced in real work situations in the community
• Given an opportunity to experience a real work environment while developing the skills to allow them to become more competitive in the local job market
• The assigned Workplace Readiness Trainer acts as a liaison between the employer and the student
